OUR SCHOOL

All Saints Cathedral School (ASCS), founded in 1928 by Saint Anne’s Sisters, is an Episcopal, college preparatory day school enrolling boys and girls in Junior Kindergarten through Grade 12. In the environment arising from the union of church and school, ASCS seeks to nurture the spiritual and social growth as well as the intellectual development of each and every student. ASCS emphasizes the importance of moral and ethical behavior and maintaining harmonious relationships within its very diverse community. ASCS is a school where excellence, diversity, and community are not mere words, but concepts which guide us daily. Our student programs provide a complete educational experience comprising academics, community service, extracurricular activities, and sport programs.

The school campus, located within walking distance to historic downtown Charlotte Amalie, consists of church offices, school offices, a counseling center, a library, a cafeteria/parish hall, instructional areas, and two playgrounds. The All Saints Cathedral, a historic landmark dating back to 1848, is located in the center of the campus and is used for weekly Mass and chapel, assemblies and graduation.

ALL SAINTS CATHEDRAL SCHOOL PHILOSOPHY

The ultimate responsibility of ASCS is to impart to its students the intellectual and moral background to enable them to become responsible citizens and leaders in their community and society in general. The school recognizes the worth and dignity of each student and encourages the development of each individual's potential.

To this end, our school, in conjunction with the Cathedral Church of All Saints, (the "Church"), seeks to maintain gradually increasing standards of academic achievement, of behavior that is respectful of self and others, and an awareness of civic responsibility.

As a private, parochial, college-preparatory school, the ASCS's curriculum is oriented towards high achievement throughout all the grade levels, climaxing in the college entrance exams. There is also a strong emphasis on moral and ethical behavior and on maintaining harmonious relationships within our diverse society.

Thus, through its philosophy, ASCS recognizes the complexity of society, and as such, promotes the intellectual, spiritual, and social growth of young minds so that they may contribute positively to their environment. The administration, faculty and staff, student body and community are genuinely committed to the dynamic realization and the materialization of the goals as stated in the philosophy.

SCHOOL ENVIRONMENT

GOVERNANCE AND LEADERSHIP

ASCS is organized as a not-for-profit corporation under and by virtue of Chapter 3, Title 13 of the Virgin Islands Code. It functions as an extension of the community outreach ministry of the Church, subject to the supervision of the Vestry of the Church. The members of the corporation shall be the Rector, Wardens and Vestry as they are elected from time to time in accordance with the bylaws of the Church. The governing body of ASCS consists of the Vestry and the Board of Trustees of All Saints Cathedral School (the "Board"). The Vestry is comprised of nine members selected by the congregation. Each term is for three years. No member can serve more than two consecutive terms.

The Board is comprised of no fewer than 11, but no more than 15 persons. With the exception of the Rector, two appointed members of the Vestry, the Communicant Member of the Church, the President of the ASCS Parent Teacher Student Association (PTSA), all trustees are elected. The elected trustees are approved by the Vestry. The regular term of a trustee is three years. No trustee may serve more than two consecutive terms.

The Head of School (HOS), an ex-officio non-voting member of the Board, is responsible for the daily administration of ASCS and its programs in accordance with the bylaws and policies of the Board. The HOS is assisted by an Assistant Head of School who, in the absence of the HOS, will make decisions. Under appropriate circumstances another employee who has agreed to accept this responsibility may be designated instead.

COMMUNICATIONS

Effective communication is essential within any organization, particularly schools. ASCS has two independent systems available to facilitate communication between stakeholders.

All employees of ASCS are issued a work-related email address to facilitate communication, consisting of their first initial and last name@allsaintsvi.org. Please feel free to utilize this email address to communicate with teachers and the administration about your child's progress and any other issues you may have.

Additionally, ASCS utilizes an online school system, which connects the students, teachers, parents/guardians and administrators. It also provides online access to, news and announcements, and the school calendar. The school's website and Facebook are also great resources for news and announcements.

ADMISSIONS, RE-ENROLLMENT AND TUITION POLICIES

Admissions

ASCS actively seeks to enroll children who will best benefit from our academic and extracurricular programs. Enrollment is open to students without regard to race, religion, gender, ethnic origin, or socioeconomic background. Any prospective student who meets academic standards set by the school and for whom there is a reasonable expectation of social and academic success is a candidate for acceptance and placement.

The Admissions Process:

- Submission of formal application to and Scheduling of entrance exam with the Admissions Office
- Entrance test: individual or in groups
- Interview between the HOS, parents/guardians and student to determine acceptance/rejection status
- Registration of student and signing of contract (upon acceptance notification)

Admission and placement is based on past academic achievement, test scores, interview and available space. The final decision for admission and placement is that of the administration.

Re-enrollment

Students who demonstrate ability, preparation, industry, acceptable conduct and maturity consistent with the standards and purposes of the school will be invited on an annual basis to continue their enrollment at ASCS. Parents/Guardians will be notified of re-enrollment dates in early spring.

Health Forms

As required by the Department of Health, all student health forms/immunization a copy of records must be on file in the school office and updated annually. All medical restrictions on activities and diets must be referred to the Main Office. Students who wish to join school athletic teams must also submit a physician's report (physical).

Tuition Policy

- Payment is due between the 1st and 5th of each month.
- Tuition in arrears for more than **twenty (20) days** will result in a student's suspension from classes and school activities, family suspension from online access, and/or withholding of student records. For seriously delinquent accounts referral will be made to collections and/or small claims court.
- Payment methods are cash, check, money order, Visa or MasterCard. For credit card payments a \$5.00 fee is charged per transaction.
- Returned checks must be replaced by cash, ATM, credit card or money order plus

- **\$125.00 late charge, per student, is assessed on tuition received after the 5th of each month.**
- The fee for participation in the After-School program is \$170.00 per student per month, payable by the 15th of each month. **A \$15.00 late charge will be assessed for payment after the 15th. There is also an additional fee of \$1.00 per minute after 5:20 p.m. that the student is not picked up.**

PRIVACY OF STUDENT EDUCATION RECORDS

ASCS keeps student education records private. Pursuant to The Family Educational Rights and Privacy ACT (FERPA), a federal law, parents/legal guardians are given certain rights with respect to their children's education records. **These rights transfer to the student when he or she reaches the age of 18.** Students to whom the rights have transferred are "eligible students".

The rights are as follows:

- The right to inspect and review education records maintained by the school.
- The right to request that a school correct records which are believed to be inaccurate or misleading.
- That the school has written permission in order to release any information from the student's education record.

FERPA, however, allows schools to disclose education records, without consent, to the following parties or under the following conditions:

- School officials with legitimate educational interest;
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information. Parents/guardians and

eligible students may request that ASCS not disclose directory information about them.

Note: Records may be withheld for monies owed to the school.

THE SCHOOL YEAR AND HOURS

ASCS functions on a 4-quarter calendar. 6th-8th grades take exams after the 2nd and 4th quarters in Math, English, Science, Writing, and Social Studies & Spanish. High school students take exams in all subjects. Information regarding school holidays, vacations, teacher professional development days, graduation, etc., may be found in the school calendar which is posted on the school website. **Since regular attendance is of top priority at ASCS, parents/ guardians are asked to check the school calendar before making any family vacation plans. Students who are out of school for one week or more will be withdrawn and re-enrolled upon return to school. Students who miss school for family trips are not entitled to be given missed assignments.**

Parents, note that since September 2013, under guidance from the U. S. Department of Education, children can only be taken out of school during term times in “exceptional circumstances”. The Supreme Court ruled that parents who take their children out of school during term-time for vacations and trips can be prosecuted.

The School Day

7:30 a.m.: Supervision of students begins

8:00 a.m.: All students must be present in their homeroom; **Students arriving after 8:00 am are considered tardy and must sign in to receive a pass in the office.** Lower School bell work begins.

12:00 p.m.: Angelus Bell (Silent Meditation)

3:00 p.m.: Dismissal (Student pick up is between 3:00-3:15pm at the Front Gate)

3:45 p.m.: Supervision of students involved in extra help or tutorial ends.

Arrival and Departure Times For the safety of all children, the school asks that students not arrive on campus before 7:30a.m. Pick-up time is between 3:00pm and 3:15pm. Students may remain on campus after this time for school activities such as sports and clubs, make-up work or tutorial. During this time students on campus are to remain in designated areas under the direct supervision of school personnel. **Students found on campus after 3:30 p.m. who are not under the direct supervision of an adult or part of an after-school program may be issued an after-school detention.**

ATTENDANCE POLICY

Attendance regulations exist for the purpose of creating and maintaining an orderly atmosphere in which true learning may take place. **Virgin Islands Law** requires students to be in regular attendance at school. It is the position of All Saints Cathedral School that no student can be absent from his/her studies without running the risk of impeding academic progress. We understand absences for reasons of illness or family emergencies

are unavoidable, but even when absences are excused they can still take a toll on a student's progress. Because regular class attendance is an integral part of the total learning process, ASCS has established the regulations given below.

- All students are required to attend all classes, chapel services, assemblies, and class meetings scheduled during school hours and Cathedral service for Episcopal Schools Week.
- For legal accountability parents/guardians are to notify the School Office no later than **9:00 a.m.** if their student will be absent. This may be done through the website, under **Absence Reporting** or by calling the school office at 340-774-0231.
- A student should never be sent to school if he or she has a fever of 100 degrees or above. Students should be fever free for 24 hours, without the aid of a fever reducing medicine before returning to school. A doctor's return-to-school permit is required after illnesses caused by a communicable disease (pink eye, measles, chicken pox, lice, staph infections, ringworm, influenza, etc.).
- Students arriving to school after 10:30 a.m., without an Excused Note, will receive an absence. Students leaving school before 12:30 p.m., without an Excused Note, will receive an absence.
- To avoid receiving an absence, a student must be in school at least four (4) hours of the school day.
- Perfect Attendance Awards are given at the end of each quarter to those students who have zero absences and zero tardies for the marking period.
- **Students who are habitually late will be reported, by law, to the Department of Human Services.**
- Students who are consistently late may be expelled by the school as habitual lateness negatively impacts school data and accreditation.
- Parent meetings will be held in an effort to improve tardiness of students.

Note: Late arrival is a class disturbance. It detracts from students' attention and time on task. The disciplinary response to lateness often includes missed assignments, which affect grades, missed classroom explanations, and not enough time to complete assignments. These, in turn, can impact the student's performance in the current and higher-grade level.

Absenteeism

Absences Relative to Course Credit: Students will forfeit credit for a course if they accumulate more than 20 excused or unexcused absences. Absences for school sanctioned educational and athletic activities do not count toward these totals.

Please note: the administration reserves the right to review special cases of absenteeism

caused by unusual or extreme circumstances. Parents may be contacted with respect to excessive absenteeism.

Excused Absence: Students are allowed to make up work provided a parent/guardian note is furnished to the Main Office upon the return to school from:

- Illness of the student
- Death in the family
- Severe injury or illness in the family
- Medical/dental appointment
- Court appearance
- Observance of religious holiday
- College visits

Students who have been absent must return with a written explanation from a parent/guardian. Immediately upon returning to campus, the student should deliver this note to the Main Office, where an admission slip will be issued for inspection by each teacher. Students returning without a parent/guardian note will be issued an unexcused absence and parents/guardians will be notified.

Absenteeism Effect on Extracurricular Activity: Students who are absent all or part of a school day are not permitted to represent the school in any extracurricular activity on that day without clearance from the HOS, assistant HOS, or other authorized school official.

Unexcused Absence: Students who do not provide a parent/guardian note upon returning to school will be considered truant. Truant students will not be allowed to make up work and disciplinary action will be taken if a parent/guardian note is not furnished within (2) two calendar days. **A parent meeting will be required before the student can return to classes.**

Early Dismissal by Written Request: Appointments for students should be made after school hours whenever possible. **If it is truly necessary for a student to leave school before 3:00 PM, a written request from the parent/guardian should be turned in to the Main Office at the start of the school day.** All students must be signed out and signed in by a parent/guardian at the Main Office when leaving or returning to school during the school day. Parents signing out students should take a note from the office to the classroom teacher to have the child released. Students who drive must have a written note from a parent/guardian.

Parents of all lower school children are to note that the school day ends at 3:00 p.m. Students being picked up before that time must be signed out in the office. A note will be issued and taken to the classroom teacher. Parents and guardians are to wait **at the gate** at the end of the school day to receive their child.

Early Dismissal for Illness: Students leaving school due to illness must be signed out in the Main Office by a parent/guardian. A note will then be given to the parent to take to the classroom teacher.

Tardiness

Students arriving late to school miss part of the instruction in the subject being taught and disrupt the others in the class causing lost time for all. At 8:00am, all students must be in their homerooms. Any students arriving after 8:01 a.m. are considered late and must report to the Main Office for a tardy pass.

Chronic Unexcused Tardiness: Tardiness is disruptive to the classroom-learning environment. **Beginning with the fifth tardy arrival a parent conference will be required for the student to return to classes.** Chronic tardiness may result in expulsion or other disciplinary action. **As per Virgin Islands Law, all chronic tardy students' names are to be reported to the Department of Human Services.**

Late Arrivals to Class: Students will not be permitted to arrive late to class without a pass from the office or the previous teacher. Students are expected to move expeditiously between classes.

TRANSPORTATION AND SAFETY

Drop-Off and Pick-Up of Students

Drop-off and pick-up procedures have been established to ensure the safety of our students and provide for the most efficient arrival and dismissal possible. Please be mindful of the change in traffic patterns during student arrival and dismissal times, as stated on the posted street signs on Commandant Gade (Garden Street). The road is one way heading south between 7:00 a.m. – 8:30 a.m. & 2:30 p.m. – 4:00 p.m. Student supervision does not begin before 7:30 a.m. and ends at 3:30 p.m. daily. Parents will be charged \$5.00 per half hour beyond 3:30 p.m. for any unsupervised student on the campus beyond 3:30 p.m.

To ensure their safety, once students are dropped off at school, they are not permitted to leave the campus during the school day, unless prior arrangements are made with the Main Office.

Students in grades 9-12 may be dropped off at the upper field gate. Students in grades 1-8 are to be dropped off at the main entrance gate. Students in Junior Kindergarten and Senior Kindergarten are to be dropped off at the playground gate. This means that parents are not allowed to block traffic walking students to class. By September 30, all

students know how to get to their classrooms. To alleviate traffic congestion, after September 30th, **all** students will be dropped at the gate. All students who arrive after 8:01 a.m. must enter the main gate to the office to obtain a late pass. **Please do not block traffic when dropping off or picking up.**

Parents of Junior Kindergarten and Senior Kindergarten students please note that the school day begins promptly at 8:00am. **It is not acceptable to bring them late or pick them up early.**

A Parent/Guardian who must pick up a child early from school should park on Garden Street and proceed to the Main Office to sign out the student. Please do not block the gates.

VISITOR POLICY

For the protection and security of the school community, strict regulations with regard to visitors on the school campus must be enforced. **All visitors to the campus must leave a valid ID in the office and obtain a visitor's pass.** Students from other schools are NOT permitted to visit ASCS campus without permission from the administration. It is preferred that parents/guardians make an appointment to visit a classroom or teacher. Please remember to return the visitor's pass to the office and collect your I.D.

Any visitors to our campus, who have not first registered in the Main Office and received a visitor's pass, will be considered a trespasser.

STUDENT HEALTH

Insurance

Insurance coverage is mandatory for all students and must be paid for at the time of registration.

Illness or Injury

One of the school's goals is to keep our student body healthy. In order to avoid the spread of infection, students who have communicable diseases such as pink eye, measles, chicken pox, lice, staph infections, ringworm, influenza, etc. must stay home from school until their doctor has given written permission to return. Likewise, students who have been vomiting or have a fever should not attend school.

Students who become ill during the school day will be sent to the office. Parents/guardians will be notified and requested to pick up the student promptly.

In the event of serious illness or bodily injury during the school day, the student's

parents/guardians will be notified immediately. In the event that parents/guardians/emergency contact person cannot be reached at times when a student’s need may be judged critical, an attempt to notify the student’s doctor will be made. The student will then be transported to the hospital emergency room. Accurate contact information for parents/guardians and emergency contacts must be provided and updated to ensure that medical personnel may provide treatment.

Certification CPR and First Aid

All Saints retains CPR and first aid-certified individuals on our faculty/staff. These individuals are available in the event of student/staff serious illness or injury.

Prescription Drugs or Medication

Students in the Middle or High Schools, who must take prescription drugs or other medications, **must** turn in the medication, along with written instructions signed by a parent/guardian, to the Main Office upon arrival to school. Students will then need to report to the Main Office at the appropriate time to take their medication. For students in the Lower School, prescription drugs/medication and parent/guardian written instructions **must** be presented to their classroom teacher upon arrival to school.

ACADEMICS

High School Course Requirements - To graduate from ASCS a student must have successfully completed a total of **26** credits as per the table below.

English	4 Credits: 4 English (9-12) May include AP English Courses
Math	4 Credits
Social Studies	3 Credits:1 Caribbean/VI History, 1 World History,1 US History
Science	3 Credits
Foreign Languages	3 Credits
Digital Literacy	2 Credits: must include Basic Computer (Grades 9 & 10)

Honors/AP Course Requirements

In order to be eligible to enroll in honors courses students must have a year-end

average of 90 or higher in selected subject areas. Students must have a year-end average of 90 or higher and provide a teacher recommendation in order to enroll in AP course. Students enrolled in AP courses must take the corresponding AP test. Students who complete an AP course and the corresponding AP examination are exempt from the end of year exam for that course.

Grading Advanced Placement Courses

Advanced Placement courses are college level classes and are graded more rigorously than regular classes. Because of this, Advanced Placement courses will be weighted by 1.1 to determine final grade. For example, an 80.00 x 1.1 results in an end grade of 88. Students may earn a grade higher than 100.

Final Examination Exemptions

Seniors may be exempted from one final (second semester) examination when meeting the following conditions:

- ✓ The student's overall grade average and major test average in the course at the time of the final examination must be at least 99.
- ✓ The student has no more than 10 absences during the school year.
- ✓ The student has no discipline incidents during the school year.
- ✓ Final approval for exam exception rests with the administration.

No student will be exempted from a midterm exam.

In addition to the one final examination exemption, a senior may exempt a final exam in an AP course after taking the corresponding AP exam.

Grading/Progress Scales

ASCS operates on a four-quarter academic calendar. Grades are determined on a numerical scale. Quarter grades are reported as follows:

Junior & Senior Kindergarten	
1	Child consistently demonstrates the skill
2	Child is in the progress of developing skill
3	Child is unable to demonstrate the skill
4	Not assessed at this time

Grades 1- 12 Letter Grade and Percentage Equivalents							
A+	99-100	B+	90-92	C+	80-83	F	below 70
A	96-98	B	87-89	C	76-79		

A-	93-95	B-	84-86	C-	70-75		
----	-------	----	-------	----	-------	--	--

Electives Grades 1-5: Art, Music, Computer Science/Library, Physical Education, Spanish			
S+	Above Average - Excellent	S-	Needs Improvement
S	Average	U	Unsatisfactory

For first through 5th grades, the midyear grade is determined by averaging the two (2) quarter grades. For 6th through 12th grades, the midyear grade is computed by combining the two (2) quarter grades for 80% and the exam grade for 20%.

Promotion Policies

Students must pass each academic subject with a minimum year-end average of 70% to be considered eligible for promotion.

Students failing any academic subject must successfully complete a summer academic program within six weeks after the end of the school year in order to be considered for promotion. Any course taken elsewhere for credit must be approved in advance by the administration if it is to count as course credit for ASCS. **For high school students failing a course, the failing grade will be shown on the official transcript. Once credit recovery is completed a credit will be awarded at grade value of a 70.**

Students failing more than three (3) academic subjects are not eligible for promotion. Summer school is not an option.

Graduation Requirements and Obligations

Students must have accumulated at least 26 credits and must pass all classes with a minimum of a 70. Students are required to complete 25 hours of community service for each year they have attended high school at ASCS. For students transferring midyear, this can be pro-rated by quarter. This amounts to 100 hours for grades 9 to 12. This is mandatory under V.I. Law.

Students cannot accumulate more than twenty (20) excused or unexcused absences for the year. No student can be a part of graduation if the requirements have not been met.

Valedictorian & Salutatorian

To be eligible for valedictorian and salutatorian, students must have attended ASCS for all four years of high school. The valedictorian and salutatorian of the graduating class will be determined at the end of the 4th quarter senior year. Cumulative Grade Point

Averages (GPA) will be calculated to 1/100ths (two places beyond the decimal point) for those students who have been enrolled at ASCS for the preceding eight semesters. The student with the highest cumulative GPA will be valedictorian, and the student with the second highest cumulative GPA will be salutatorian.

Honor Graduates

White and gold cords designate honor Graduates. Honor graduates must have an 88% or above year-end average in all high school courses.

Honor Roll

Eligibility for the ASCS Honor Roll begins at grade 4. High Honors students must have an overall grade average of between 95 and 100. Honors students must have an overall grade average of between 90 and 94.9. In order to be on either Honor Roll, students cannot have any grade below a B- (84) in any course. The Honor Rolls are posted in the school at the end of each quarter. Honor Roll students may also be recognized via the following:

- School newspaper
- School Website or Social Media
- Announcement/presentation during Chapel

Although students in grade 3 and under are not eligible for Honor Roll, awards will be presented during chapel services as well as at the Awards Ceremony at the end of the school year.

National Honor Society

Membership in the National Honor Society is open to qualified sophomores, juniors and seniors. To be eligible for National Honor Society, students must have attended the school for at least two quarters. The minimum grade average allowable is eighty-eight (88), however membership is never considered on the basis of grades alone. Additional considerations for membership are teacher recommendations, service, leadership and character. NHS selection is made by the school's Faculty Council. Members of the National Honor Society are required to perform 25 hours per year of community service both prior to eligibility and subsequent to selection. Students in National Honor Society will wear their uniform on the 2nd & 4th Friday of each month. Students with discipline incidents are not eligible for selection.

Homework

Teachers assign homework, which enables students to prepare for classes as well as providing an opportunity to practice skills. Homework may be an assignment for the next class or a longer-term assignment such as a project or a research paper.

Parents/guardians can support teachers in the homework process by encouraging students to plan and utilize their time wisely as they develop good homework habits. As

we work together to enable our students to grow into responsible citizens, please work with your child to achieve a level of organization that insures that books, homework and school supplies get to school with the student each day.

Generally, students should have 30-45 minutes of homework in lower school; 60-90 minutes in middle school; and a minimum of 2 hours in high school. Some students may need more time to complete homework on a regular basis; and some may work longer on specific assignments.

Make-Up Work

One of the goals of ASCS is to develop the characteristic of responsibility in our students. Students who have missed a test or quiz because of an excused absence are required to make up the test or quiz on a date and time to be determined by the teacher.

For students absent only one day, the work due on day of absence must be turned in on the first day back. Work missed on the day of the absence is due on the day after the return to school or at a date to be determined by the teacher. Students are also responsible for class information and activities missed.

Students absent for two or more days should immediately work out a make-up schedule with teachers. **This is the responsibility of the students**, not the teachers. Students must also be responsible for class information and activities missed.

Students who have missed classes due to in-school disciplinary action or non-tuition payment will be allowed to make up tests or exams; however, the making-up of class work is at the discretion of the teacher.

Students under home-suspension or with an unexcused absence/tardy will forfeit the right to make up in class work and homework. Make up of quizzes, tests, and exams will be at the discretion of the administration.

Community Service

In keeping with our school philosophy and the need to develop our local community, our students are required to complete 25 hours of community service for each year they have attended high school at ASCS. This is actually a law passed by the V.I. Legislature. For students transferring midyear, this can be prorated by quarter. This service will enable our students to build their self-esteem while initiating and maintaining strong relationships with local organizations. The foundation intrinsically built through the community service program will help bridge the gap between our students and those who may be less privileged. To receive credit for services hours signed verification letters must be submitted to the Administration. Students who enter the school year with a deficiency in community service hours will be assigned work sessions or a special project

until their hours are completed. We strongly encourage all students to complete their service hours during the academic school year or the previous summer. Students are encouraged to complete more than 100 hours as this would enhance your application to colleges and universities. Documentation of service earned during the summer should be submitted at the beginning of the school year. It is noted that many colleges and universities are also requiring community service hours from their students.

Seniors with deficiency in community service hours will receive a letter of notification and will be allowed to serve their deficient hours through work sessions during their first half of the school year. At the end of 2nd quarter of their senior year, students with deficiencies will receive a letter stating that they have not fulfilled their required service hours. This letter will also be placed in the student's official file and will accompany all transcripts and information requested by colleges for admissions purposes.

Academic Requirements for Participation in Extracurricular Activities

ASCS offers a variety of extracurricular activities, including an interscholastic athletic program. The school is dedicated to excellence in athletics and other extracurricular pursuits but will not compromise academic standards should they prove to be in conflict with these activities.

Students who wish to participate in school-sponsored extracurricular activities (sports teams, clubs, productions, etc.) must be in compliance with school academic and disciplinary policies. **Students must not have any course grade lower than 70%.**

Students who have course grade averages lower than 70% at the mid-quarter point may be permitted to participate in school-sponsored extracurricular activities provided they complete certain remedial activities determined by the administration.

After-School Help

At ASCS, all teachers offer after-school help to their students. After-school help sessions take place from 3:00-3:45 PM. Teachers are also responsible for attending faculty meetings, after-school duty and extracurricular activities during this time, so specific days for after-school help sessions vary. Students/parents/guardians should contact the teacher to schedule after-school help sessions.

Students whose average is below 70% in any given course will be placed on academic probation and will be subject to mandatory tutoring twice a week. The school expects the cooperation of parents who have been contacted concerning grades.

Teachers may also require students to attend after-school sessions in case of unsatisfactory academic performance. In this case, parents/guardians will be notified. Parents should closely monitor their child's academic performance and, when necessary,

initiate after-school assistance for your child before it is too late.

Textbooks

Students will be assigned textbooks by their subject teachers. Students are renting these books and should not tear, write, mark, or draw in the books in any way. **Textbooks must be covered at all times.** Consumable workbooks are owned by the students and may be written in. Middle and High School students must turn in their textbooks before final exams. If a textbook receives more than routine wear and tear, a student will be asked to pay the replacement cost for the book. Lost textbooks must be paid for before students can take final exams or final grades are received. Final transcripts will not be released for any student who has not paid for any lost or damaged books. A replacement cost will include shipping and handling.

After-School Program

The After-School Program is a combination of homework assistance and social and character development programs. Homework assistance ends at 4:15 p.m. **Parents need to play a vital role in homework and it must not be the sole role of the After-School teacher.**

PARENT/GUARDIAN INVOLVEMENT

ASCS has a tradition of maintaining a strong community of stakeholders who have an interest in our school and students. Over the years, parental involvement has been an essential element in their success. Each parent/guardian **must** volunteer at least eight (8) hours, over the course of the school year, towards an activity directly benefiting the school (conferences and meeting with faculty and administration do not apply).

The following are examples of avenues for parent/guardian involvement:

- P.T.S.A. - The Parent Teacher Student Association meets the 2nd Tuesday of every month. Topics include event planning, fundraising, school issues, guest speakers, etc. **It is** expected that parents attend a minimum of 5 PTSA meetings per school year.
- Field Trip/ Special Event Chaperoning
- Assisting at fundraising events.
- Selling raffle booklets for school fundraisers
- In-Kind Contributions of Special Talents and Skills
- School Beautification Days

Parent/Guardian-Teacher Conferences

Special days for parent/guardian-teacher conferences are scheduled each year. Please check the school's website and calendar for exact dates. Parents/guardians may, however, request conferences with teachers at any time.

Communication with Teachers

Parents/guardians and teachers share the same goal: the academic success, social and moral development of our students. This goal cannot be achieved without adequate communication. Please check with your child's teacher regarding his or her preferred medium of communication, which may include telephone, formal and informal conferences, written forms and letters, signing of tests and other documents, email and the Remind application.

PARENTAL DIVORCE OR SEPARATION

Divorced and separated families are realities of contemporary life, which may affect the school's responsibilities to its students. The following policies have been adopted to assist the school in situations where a non-custodial parent wishes to become involved in school-related activities of a student, or wishes to have contact with or take custody of the student while at school.

Ordinarily, the school will not resist or interfere with a non-custodial parent's involvement in school related affairs, or access to the student's records, unless the school is presented with a court order or comparable legal document which defines such involvement or access. The school will not otherwise "choose sides".

In cases where legal documents restricting access have been presented, the school will not permit the non-custodial parent to take custody of a student or remove the student from school premises unless the parent presents either a written court order or a written authorization signed by the custodial parent permitting such custody.

If the actions of parent(s), custodial or non-custodial, become disruptive to the operations of the school, the school has the right to restrict access by such parent(s), and to take other reasonable necessary actions.

Concerning student activities, which require parental consent, the school will accept consent only from the custodial parent, unless authority to grant consent is given to the non-custodial parent by a court order or comparable legal document.

Copies of school work, certificates, awards, progress reports, report cards, and other communications from the school will be provided to the primary custodial parent only. Parents who have been awarded joint custody of their student must identify a primary custodial parent as the single point of contact for the school. It is expected that the custodial and non-custodial parents make their own arrangements for the sharing and distribution of school materials.

PRAYERS AND RELIGIOUS SERVICES

ASCS is a mission of the Cathedral Church of All Saints, an Episcopal church. Students are not required to join the Church, but during the school day students are required to participate in spiritual exercises and services.

All students are expected to participate in a weekly religious service: Lower School on Thursdays, Middle School and High School on Mondays. Whole school Mass is held on

Ash Wednesday. Students are not required to take the ash on the forehead. Students must stand at appropriate times during the Mass service. They are expected to use the Book of Common Prayer.

Extracurricular clubs and organizations, student publications, interscholastic athletics, and drama and musical productions are available for student participation depending on individual interests. **Students who are off campus for school activities serve as representatives and ambassadors for the school and are expected to conduct themselves accordingly.** Good sportsmanship is expected at all competitions. Students on academic probation are not eligible for participation unless approved by administration.

Academic Activities

ASCS has several academic programs available to students of every grade level. Academic programs are headed by faculty members and include teams that compete against other schools in the Virgin Islands. Although these practices/games will be kept to a minimum, players will be required to attend mandatory practices/games. It must be understood by each athlete and parents/guardians that a commitment must be made prior to the season which will enable the athlete to participate in every practice and game. If such a commitment cannot be made, the athlete should consider not participating in the sport.

EMERGENCY CLOSING OF SCHOOL

When inclement weather is impending parents/guardians should listen to the radio (WSTA-1340 AM or WVWI -1000 AM) for announcements concerning school closures or early dismissal. The school telephone system cannot handle the enormous number of incoming or outgoing calls regarding severe weather or community emergencies.

School will be/will remain in session unless the broadcast media specifies All Saints Cathedral School is closed. Parents/Guardians may also check the school Facebook page or the online system for special alerts, but the absence of such an alert should not be considered definitive notice since administrators may be experiencing power or online access interruptions at school or at home.

Therefore, whether in school or out of school, as representatives of All Saints Cathedral School, our students are charged with upholding the moral character identified with this school.

ACADEMIC HONESTY POLICY

CHEATING

Cheating is defined as using dishonest methods to gain an advantage. This includes using any kind of deceptive means of gaining information for use on quizzes, tests, projects, papers, homework or any other assignment. Means of gaining information that are contrary to the teacher's guidelines and instructions are also considered cheating. Students should consider all work as individual work, unless the teacher specifies differently.

Students shall not:

- Copy another student's test, quiz, or work – home or in class
- Dishonestly obtain test or quiz answers during or before the administration of the assessment.

Grades 3-12: Cheating may result in an automatic zero for the assignment, quiz, or test along with a referral to the administration.

PLAGIARISM

Plagiarism is defined as using others' ideas and words of another as one's own or without clearly acknowledging the source of that information. To avoid plagiarism, the student must give credit or acknowledge the source of the information when using:

Grades 3-12: Plagiarism may result in an automatic zero for the assignment along with a referral to the administration.

Middle and high school students may be required to submit written work to a plagiarism detection service.

BULLYING AND HARASSMENT POLICY

It is the policy of ASCS that all of its students, school employees and school volunteers have an educational setting that is safe, secure and free from harassment and bullying of any kind. Bullying behavior of any type – written, verbal, physical, electronic, cyber – **will not be tolerated**. Parents/guardians and students may anonymously report bullying incidents on www.sprigeo.com. All perpetrators of bullying, threatening or harassing behavior will be held liable and accountable subject to the discipline policies as outlined herein.

Bullying is a form of intentionally aggressive, threatening, and/or harassing behavior characterized by systematic or chronic infliction of physical, emotional or psychological distress on one (1) or more students, school employees, school volunteers, or visitors. Bullying is not a unilateral behavior and may occur between persons at any level(s) within the school community.

We, as a community, will not tolerate an attitude of “boys will be boys” or “girls will be girls” to excuse cruel behavior. Bullies can be any age or gender.

Characteristics of bullying may include but are not limited to:

- Direct or indirect, blatant or subtle behavior that is considered to be intentionally, physically, socially or verbally aggressive, intimidating or sexually, racially or ethnically harassing
- An actual or perceived imbalance of power or authority
- Cyber bullying
- Any threatening, insulting, or dehumanizing gesture that is severe or persistent enough to create an intimidating, hostile, or offensive environment; cause discomfort or humiliation; or unreasonably interferes with the individual’s school or social performance or participation
- Hazing or any ritual that degrades, humiliates, threatens, or physically hurts another person as a pretext for joining an athletic team or other formal or informal group

Bullying often occurs outside of the physical school grounds yet these actions still impact the safety of our students. Any bullying behavior demonstrated outside of school that impacts our school community will be addressed by the administration. Examples of bullying outside of the school may include but are not limited to the following:

- Cyber bullying - electronic communications that include physical threats, malicious gossip, slander and the dissemination of inappropriate photographs
- “Hit lists” via e-mail or other methods of communication naming specific students and/or teachers as targets for harassment
- Changing other people’s e-mail personal profiles
- Hazing or any ritual that degrades, humiliates, threatens, or physically hurts another person as a pretext for joining an athletic team or other formal or informal group

As a school we take seriously any report of bullying. The school will notify parents/guardians whose children have been identified as bullies. Bullying will be responded to through a continuum of consequences and interventions up to and including suspension and/or social probation (such as suspension from extracurricular activities or school functions) depending on the frequency and severity of the behavior. Any student who is suspended will not be permitted to return to school without a re-entry meeting with an administrator. Some situations, including less severe first offenses, may be handled by the school through student conferences, mediation, or other interventions with a phone call home.

The School Prayer

God be in my head and in my understanding
God be in my eyes, and in my looking
God be in my mouth and in my speaking
God be in my heart and in my thinking
God be at my end and at my departing
Amen

The Lord’s Prayer

Our Father, who art in heaven
Hallowed be thy Name
Thy kingdom come
Thy will be done,
On earth as it is in heaven

And lead us not into temptation
But deliver us from evil
For thine is the kingdom
The power and the glory
Forever and ever
Amen
