Dear Parents/Guardians:

It is that time of the year for us to plan for next school year. Due to the Pandemic, we have had to limit class sizes. As a result, we need to register our returning students as soon as possible so that we can know how many spaces we will have for new applicants. We already have a number of applications on file for new students. Returning students have priority in registering. This must be completed no later than April 30, 2021. After that date, we will be filling spaces with new applicants. There is no increase in tuition and other fees for the 2021-2022 school year. The Registration fee is \$200.00 and must be paid when you return the Registration package before April 30, 2021. The other fees must be paid before your child returns to school in August. Any student with outstanding fees will not be allowed to start classes next school year until all fees are paid. It is also important that immunization records be updated over the summer.

Please be reminded that you can pay the tuition in full before the school year begins. You also have the choice of paying in two, four or ten installments starting in August. While we are still in the Pandemic, we will not ask parents to pay the late fee. However, we do ask that you pay tuition on time (by the 5th of each month). We will not allow one installment to overlap with another.

Please note the following available tuition discounts:

Legacy: Children of All Saints alumni receive a 10% discount on tuition.

Ambassador: Any family who refers a new student who is successfully enrolled, will receive a one month tuition discount on the last installment. The new student must remain enrolled for the entire year for this to be applicable. We must receive this in writing from the parent of the new student.

Multi-student Family: For families with more than one child enrolled, a 10% tuition discount is offered for the second and subsequent children enrolled from a qualifying family.

Episcopal Church Member: Children who are Episcopalian or of a parent who is an active member of the Episcopal Church will receive a 10% discount on tuition. A letter from the priest must accompany this request.

All Saints Cathedral School admits students of any race, color, national origin, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national origin, and ethnic origin in administration of its educational policies, admission policies, scholarship and loan programs and athletic and other school-administered programs.

Note: Only one of these discount packages can be applied.

Again, please note that to effectively plan for the upcoming school year, we need to have all students re-enrolled no later than April 30, 2021. Please remember, we offer a quality product for a low price. We do look forward to working with you for the upcoming school year and having your child continue as a part of the All Saints Cathedral School family as we invest in giving a high quality education to our students.

Sincerely,
