February 20, 2020

Dear Potential Sponsor,

On March 21, 2020 All Saints Cathedral School will be hosting its 3<sup>rd</sup> International Gala themed “Pista Sa Nasyon’ in partnership with the Pinoy-American Association of STT/STJ from 5:30pm until midnight at the Mark C. Marin Center. Our featured country is the lovely nation of the Philippines. This elegant evening of fun, excitement, and philanthropy will be an annual event raising money for a worthy and deserving institution that has a ninety-one year legacy of excellence in our community.

All Saints Cathedral is not just any school. We are an institution that has very proudly produced some of our community’s strongest and most prestigious leaders. We care deeply about the success of each child, and provide a quality education at an affordable price. We celebrate our diverse student body and faculty, deeply rooted in community, faith, and a connected family atmosphere. It is our desire to uphold these ideals in partnership with the community of which our alumni are significant contributors.

We humbly seek your support for what promises to be a fun and exciting evening. Anticipated attendance at this Gala is estimated to be over two hundred people. The goodwill that your donation will generate is immeasurable, as attendees will be reminded of your generosity and commitment to All Saints Cathedral School throughout the event. Your contribution, and any proceeds from this event will benefit the All Saints Cathedral School Annual Fund. We are a 501(c)(3) Non-Profit organization and all contributions are tax deductible. A gift receipt will be issued.

Educated, Prepared, Connected in Faith
